

## **Dr. Kelly Tremblay, Ph.D.**

### **Contributor**

Dr. Kelly is trained as a neuroscientist and audiologist who specializes in aging and life-long learning. She's a retired Professor who recently joined 3rdPlus as a consultant and brings her expertise to 3rdPlus' educational and life enrichment programs. As a longstanding advocate and educator, Dr. Tremblay serves on many non-profit committees (e.g., World Health Organization, Hearing Loss Association of America) in addition to mentoring leaders through career and life transitions.
